More than 20,000 employees at 170 locations worldwide apply their expertise and innovative capabilities to ensure the continuous growth of our independent privately-held company. WAIVIS as part of this group is the place to build a career, so why not join our team and contact us today!

Your role:

We are looking for an Assembly Operative to join our tambour door production team working 30 hours per week, Monday to Thursday 5pm to 11pm and Friday 1pm to 7pm on an initial 3 month fixed term contract.

Responsibilities include:

- Working on the assembly line and producing our products based on specific measurements, calculations, drawings or instructions under the supervision of the Assembly Shift Team Leader;
- Packing boxes, loading and unloading materials and finished goods and adhering to safety protocols;
- Inspecting assembled products for any faults or defects;
- Reporting incidents, faulty operations, or product imperfections on the assembly line to the Assembly Shift Team Leader;
- Following established safety and efficiency procedures to ensure that operations run smoothly.

Your Profile:

- Previous experience in light production and hands on assembly work;
- Familiar working to a production plan;
- Able to work individually and as part of a team;
- You will be attentive to detail;
- Takes pride in your work;
- The ability to understand and receive instructions;
- Ability to work under pressure in a fast-paced environment;
- Ability to work on one's own initiative;
- Good knowledge of manufacturing safety protocols and regulations;
- CNC experience is desirable;
- A forklift licence would be an advantage, but not essential;
- A solid understanding of production machinery and proper assembly procedures would be an advantage, but not essential.
